LITE
TAG FOR [unclear]
1950

This wall hanging was crafted by hand completely. The signatures on this hang tag testify that it has been checked twice by someone other than the craftsman to verify the quality of the piece and its packing. There will be up to a five per cent variation from piece to piece in that the unit is done totally by hand.

Don Freedman is responsible for the design of this Art Object. He hopes it brings all the love and warmth that was put into it.
