PERFECTION HEATERS

The Car Has a Perfection Motor Car Heater

Automobile attention point with pride to a Perfection Heater because no motor car is complete without one. A Perfection Motor Car Heater is now recognized as a necessary part of automobile equipment.

A Perfection Heater warms and dries you and your car on the coldest winter days, but makes hot and drying winter more enjoyable. The Perfection Heater equipment is used by numbers every day in the year.

Not merely a hot-warmer but a real heating plant. Shields against gas, has operating expense—The Heat is There—Why Not Use It?

Every-five prominent automobile manufacturers have provided for the owner's comfort by adopting Perfection Motor Car Heaters as standard equipment on one or more models. Be sure your new car is so equipped.

Perfection Heaters may be readily installed in new or old cars, both open and closed models. Write for name of local dealer handling Perfection Motor Car Heaters.
